We advise you to arrive on site at least an hour before your session and it is essential to check-in at the AquaVenture Reception on the North Lake (this is NOT the main park reception) at least 30 minutes before your booked session. This gives you time to check in, get changed, get your wet suit (if booked) and be briefed. Our safety brief takes place quarter past the hour and you must be changed, in your buoyancy aid and ready to receive the briefing at that time.

It isn't compulsory to wear a wetsuit, we will have water temperature information on arrival.
